

BAGS
BAY AREA GEOPHYSICAL SOCIETY

Hello again Bay Area SEG members,

In the last message I sent you all, I wrote that I would let you know when our new web site was up and running, and when you would be able to sign up and pay for BAGS membership online. Well it has taken us a bit of time, but that day is here and you can now go to <http://bayareageophysicalsociety.org/> to sign up as a new member or renew your membership and pay your dues. While you are there you can browse the calendar section to see upcoming BAGS, SEG and other geophysics events, and send the BAGS Executive Committee an email if you have any questions, comments, or suggestions. Again, we the executive committee hope that you will consider becoming a member as it is only with a growing and involved membership that we all can provide for a vibrant and engaged Bay Area Geophysical Society. And we hope to see you at an upcoming event!

Sincerely,

David Alumbaugh
President, Bay Area Geophysical Society
